Tony – couldn't agree more. We are letting them sway the panel dazzling them with their bullshit...they don't want to discuss the real substance of the case...I think they are winning the battle right now...BDC

Brent,

Kati can give you more details, but they did file a motion to compel on Friday. Still, I think we have some issues with Gary Monnin and our counsel.

Why does it still seem like we are playing defense? Why aren't we filing a motion to the panel to compel them for discovery? BDC
